PROFESSIONAL SUMMARY

Results-driven Product Operations professional with 2+ years of experience in workflow optimization, stakeholder management, and cross-functional coordination within technology-enabled service platforms. Proven track record of streamlining business processes, managing vendor/partner ecosystems, and translating operational insights into actionable improvements. Currently pursuing MBA to strengthen product management acumen. Adept at requirement analysis, user story refinement, SLA tracking, and driving platform adoption across diverse stakeholder groups.

CORE COMPETENCIES

Product Lifecycle Management • Requirements Analysis & User Story Refinement • Stakeholder Management
Workflow Optimization • Vendor & Partner Relationship Management • Data-Driven Decision Making
Cross-Functional Coordination • Platform Administration & Intake Management • SLA/KPI Tracking & Reporting
Advanced Excel & Power BI • Project Management Tools (ClickUp) • Business Process Documentation • ServiceNow (Familiar)

PROFESSIONAL EXPERIENCE

Cache Labs | Team Lead - Product & Operations

March 2026 – Present

- **Platform Operations & Product Support:** Own end-to-end operations of the CIP platform, driving workflow efficiency across intake, processing, and delivery - directly analogous to ServiceNow intake portal management
- **Requirements & Process Design:** Identified gaps in existing workflows and implemented structured task management frameworks in ClickUp, improving team delivery timelines by 30%
- **Stakeholder Management:** Serve as primary point of contact for clients and internal teams, translating business needs into actionable tasks and ensuring seamless service delivery
- **Vendor Coordination & Escalation Management:** Manage relationships with 10+ external vendors/partners, resolving 20+ escalations monthly while maintaining 100% SLA adherence
- **Team Leadership & Training:** Lead a cross-functional team of 4, conducting training sessions to improve service quality and ensuring team alignment with product goals
- **Strategic Planning:** Collaborate directly with CEO/Founder to develop scaling strategies, product roadmaps, and expansion initiatives for the platform

Cache Labs | Sr. Operations Associate

April 2025 – February 2026

- **Process Optimization:** Designed and maintained operational trackers and dashboards, delivering structured weekly status reports to leadership for data-driven decision-making
- **Vendor Management:** Acted as single POC managing end-to-end vendor relationships, streamlining communication workflows and reducing resolution time
- **Feature Implementation Support:** Contributed to platform improvements by identifying user pain points and recommending process enhancements based on operational data
- **Cross-Functional Collaboration:** Bridged communication between Customer Success, Operations, and external partners to ensure aligned delivery

Cache Labs | Operations Associate

September 2024 – March 2025

- **Documentation & Reporting:** Maintained structured documentation, progress reports, and process workflows supporting cross-functional project execution

- **Product Development Support:** Contributed to development of in-house digital products (journals platform), supporting requirement gathering and testing

Cache Labs | Jr. Operations Associate *April 2024 – August 2024*

- **End-to-End Execution:** Delivered across multiple product lines ensuring process efficiency and quality outcomes
- **Customer Issue Resolution:** Collaborated cross-functionally to resolve complex customer issues using decision-support tools, driving initiatives to enhance satisfaction

INTERNSHIP

Helping India Feeding India | Marketing & Operations Intern *May 2023 – August 2023*

- Designed and executed 5+ awareness campaigns, developing content strategies that amplified outreach for social impact initiatives
- Translated field data into engaging stakeholder communications for diverse audiences
- Created 20+ impact-driven narratives, strengthening brand storytelling and stakeholder engagement

KEY ACHIEVEMENTS

- Achieved 100% SLA/TAT adherence across all vendor engagements over 12+ months
- Promoted 3 times in 2 years (Jr. Associate → Associate → Sr. Associate → Team Lead) demonstrating rapid growth and impact
- Successfully managed 10+ vendor/partner relationships simultaneously as single point of contact
- Improved team delivery efficiency by 30% through implementation of structured project management workflows
